### Endings

by Abigail Diehl-Noble

As the year draws to a close, the number of ceremonies, field trips and special events in a Waldorf school is breathtaking. With three children, I am awash in wonderful closing moments! It's a lot of work for us as parents (and teachers), but there is something I so value about all of this. In a Waldorf school, endings get noticed.

I find that in general our culture is good at beginnings—the first day of school, the first lost tooth, the first bike ride, first car, first job. But endings? We hide from them. We avoid talking much about serious illness, death, and separation, or we avoid the people who do talk about them. We try not to dwell on the negative and we press on.

But moving on too quickly comes at a cost. In fact, pausing to mark an end is the best way to prevent getting stuck there. By honoring what has been and allowing sadness about what is lost, we are in the best place to embrace the next step.

Each year the faculty of our school offer artistic performances—songs and poems—to the graduating eighth grade students in a private ceremony just for them, before the public graduation. The faculty also sit in a circle with the twelfth grade and remember their shining moments from kindergarten, grade school, and high school. We host a dinner in their honor, offer thanks and jokes, and sing some more (Waldorf endings always include a lot of song). Every student who is leaving the school is honored in his or her class, and in a closing ceremony before the whole school. Every teacher moving on is appreciated. No one slips away.

Taking time to say goodbye often isn't easy. It can be awkward or uncomfortable; it can bring up problems we don't want to talk about. But it's essential. If we are a community (and we are), then each one of us matters. A leave-taking done

with love strengthens everyone for what's ahead; an absence not properly recognized takes energy from the group and the person who is leaving.

May we all have the courage to close this school year with warmth, openness, and plenty of trust in new beginnings to come.

**The entire school community is invited to celebrate with  
the graduating 8th graders and 12th graders.**

**Eighth grade graduation takes place at the high school  
on Thursday, June 5th at 4:30pm.**

**Commencement ceremonies for the Class of 2014 begin  
at 10:00 on Saturday, June 7th at the high school.**

**All are welcome!**

## **The Sixth Grade Donates Seed Sale Profits to the Joshua Moore Scholarship Fund and Harbor Place**

In the spring, the sixth grade formed a seed company in order to learn how to operate a business and to raise money for a charity. Using funds raised in the fall from their work for the LCWS Rummage sale, the class purchased sixteen varieties of organic seeds in bulk and blank seed packets. When the seeds arrived, the students weighed them and then packaged the seeds in their own hand-designed and illustrated seed packets. They also set prices for each packet that would be reasonable but that could cover costs and still make a fair profit to donate to the charity.

They staffed ten consecutive booths, worked with advertising and eventually sold 93% of the seed packets to the LCWS community.

Sales over the course of a week were lively and fun for the sixth graders, and their customers. Some students acted as sales people; others recorded purchases, and made change for customers. They counted sales and kept a running balance sheet of expenses and income. **After calculating expenses, the class made a grand total of \$248.40.**

and learned of local, national and global charities that devoted themselves to the needs of human beings, animals and the earth. **In the end they made a matched grant of \$100.00 to the LCWS Joshua Moore Scholarship Fund and a donation of \$150 to Harbor Place, a local short-term housing and resource shelter, primarily for homeless and displaced families.**

## Thank you from the Moore Family

As the school year draws to a close, we send our heartfelt gratitude to the faculty, staff, students and families of the LCWS community for your support since Joshua's passing. We have been blessed by your love and generosity. Your prayers, cards, gifts, meals, and presence with us have truly touched our hearts.

Thank you to those who sat with us on Thursday nights in the fall and shared your own memories of loved ones who have passed on. Thank you to the many students who drew beautiful pictures that we will treasure, and for your sweet gifts. A special thank you to Mr. Olson and all the singers and musicians for offering your beautiful spring concert in Joshua's honor.

Thank you to the families in Sueanne's class for your tremendous support despite navigating your own children through the loss of a friend. Thank you for bringing your children to visit us and for celebrating with us as we welcomed Brendan to our family. And thank you to Melinda & Malcolm for your labor of love to record such a touching song for Joshua.

And finally: Sueanne, we thank you for walking with our family and for carrying the entire school community through this difficult loss. You have gone above and beyond the role of even a Waldorf kindergarten teacher, and we will be forever grateful.

Christina and Jason Moore

## The rose, the bud and perhaps a thorn...

The 6th grade reflects on their Kroka experience

The Sixth grade spent three magnificent days at Kroka's base camp. We camped, cooked, did chores, canoed, rock climbed, sang and had loads of fun and adventure. The Kroka counselors had us engage in a daily activity where we spoke of the rose of the day, the bud for tomorrow and perhaps a thorn. This was how we would review each day together. The following are a few roses, written by Sixth graders:

*A big rose for me was the rock climbing. I've already rock-climbed a lot but never with my friends. Rock climbing with them made the whole experience better!*

*When I was at Kroka I had many roses, but my best one was when I felt the rush of having repelled off a cliff. Another rose was canoeing to the island and finding Crumbeard's Treasure!*

*The high-point was the rock-climbing because I got nervous I was going to fall, but I didn't! I learned that if you don't cooperate with your partner, your canoe will turn around and around, getting nowhere.*

[Subscribe](#) to our email list

*My rose for the Kroka trip was pushing myself for the rock-climbing and repelling. I proved to myself that if I set my mind to it, I can do anything!*

*My rose was doing the rock climbing and repelling. I was very nervous about it because I was afraid of heights. I was the first one from my group to try it. First I did not want to do it, but after awhile I became relaxed and it became easy for me. Repelling was my favorite part of rock climbing!*

*I remember when we first pulled into Kroka, and I thought, I hope the Kroka counselors are nice. At first I was not sure, but when I started to fully live into their world and do everything with them. By the end of the day I was laughing at their jokes and listening intently to everything they had to teach me. I fully trusted them for the rest of the trip.*

*Finally, my rose (speaks Katherine Verman) was a deep appreciation and trust in Kroka and an every growing faith in the strength and heart of the Sixth Grade and Waldorf Education!*

## Summer Picnic!

Pack your blanket and picnic and come to the Lake Champlain Waldorf School all-school picnic on the last day of school, which is Wednesday, June 4th. The picnic starts right after school from 3:30 until 6:00 pm at the Shelburne Beach. There is no agenda...just time to socialize and enjoy good company. Parents, please remember that there is no life guard on duty, and you need to supervise your children. Remember to pick up all trash (the beach does not have any trash cans). Hope to see you there! Please note: We have a rain date scheduled for the following day, June 5th from 10:00am - 2:00pm.

## Congratulations!

Congratulations to LCWS Alumna **Lindsay Graham**, daughter of **Pam Graham**, who got married this past weekend to Tony Francescutti. One guest said, "Their love was so palpable and clear that it shifted my entire focus onto seeing what is right, good and fabulous in my own marriage. It was as if being in the space they created made love so ever present that all else just faded away. It was really a gift to behold." Lindsay is a freelance graphic designer and LCWS has benefited tremendously from her brilliant work.

## Shout-Outs

*We are experimenting with a new section of the newsletter where readers can express gratitude toward other community members. If you'd like to submit a Shout-Out, please email: [newsletter@lakechamplainwaldorfschool.org](mailto:newsletter@lakechamplainwaldorfschool.org).*

A huge shout-out to **Kathy Pintair** who has put in countless hours with the 8th graders over the last three months to help them design and publish a memory book. The gorgeous book is a result of Kathy's humble grace, eye for beauty, and dedication to the children. Thank you Kathy!

Big thanks to the **7th grade at Orchard Valley Waldorf School and their class teacher Jane Hill**. When the OVWS students heard about the LCWS 7th grade shoe drive for Youth Catalytics, they wanted to help out and sent shoes from their own school community to LCWS.

**LCWS's Extended Day Director Tai Dinnan is excited to be offering a new garden-themed day camp in Charlotte** for 1st-5th graders! There are two weeks to choose from: June 23-27th and/or August 4-8th - situated conveniently before and after LCWS's Turtle Lane Summer Camp. *What:* Your thumbs will turn green after a week in Charlotte's school gardens this summer! Play and work with friends to deepen knowledge and boost excitement about vegetables, fruits, seeds, pollination, decomposition, and garden ecosystems. Become an animal lover during our walking field trip to visit sheep at nearby Fifth Fence Farm. Each afternoon, transform into a chef to prepare a daily snack using ingredients just harvested from the garden. Don't forget to save some energy for playing on the playground, creating garden-themed art, exploring around the base of Pease Mountain, and making discoveries in and out of the gardens! *When:* Sign up for one or both of our week-long camp sessions: June 23-27th and August 4th-8th. Our days run from 9am to 3pm. *Who:* Rising 1st-5th graders are welcome. Campers are encouraged to sign up with friends. *Cost:* \$250/week, need-based scholarships are available. *Where:* Charlotte Central School Garden and Ground. *Bring:* Weather appropriate clothes and closed toe shoes that can get dirty, a bag lunch, water bottle, and sunscreen. A snack will be prepared and enjoyed by campers each day.
