COUNSELORS IN TRAINING/ JUNIOR COUNSELOR PROGRAM

Turtle Lane Camp offers leadership opportunities for motivated middle and high school students, who assist adult counselors. The program includes training in aspects of child development, safety and first aid, conflict resolution, storytelling, and games (at a level just right for teens).

CITs attend **free**; Junior Counselors receive a small stipend. Limited positions available each week. Please see our website for more information.

"The camp hit all the right notes—learning new things, good food, crafts, time to reflect and time to play. The only complaint my kids had was that it ended too soon!"

— Sarah Thompson

What will your child's summer look like?

Meet the counselors and learn more about the Turtle Lane Camp at our **CAMP OPEN HOUSE**

SATURDAY, MAY 9 | 10 am–12 pm
359 Turtle Lane, Shelburne, VT

"This was our son's first camp ever, and I wasn't sure he would do well in an all-day camp. He LOVED it!"

— Brenda Baker

Art & Nature Camp

Our days are filled with singing, outdoor play, traditional games, handcrafts, animal care, art, and nature stories, with plenty of time for children to explore and play in our 22 acres of fields, forest, and gardens. A healthy, homemade snack and herbal iced tea are provided daily.

CHILDRENS' GARDEN, for ages 3-5, is set at a gentle pace just right for them. Activities include forest play, a seasonal circle time, nature walks, story, and rest.

WOODLAND ADVENTURES, for ages 6-8, includes more complicated nature crafts, adventures deeper into the forest, and active games.

Sessions Include:

EARTH | July 6-10

Dig in the dirt, plant in the garden, work with clay, and learn about the magic of seeds, soil and herbs.

AIR | July 13-17

With wind and air as inspiration, we will play lots of ball and running games, make toys for the air (whirligigs or toy kites), and learn about the birds in our forest and marsh.

SUN | July 20-24

We will feel the warmth of the sun, play with light and shadow, make and use a simple solar oven, and learn how animals and plants use the power of the sun.

WATER | July 27-31

In this watery week we will make bubbles (including giant ones!), experiment with watery crafts, get wet, and learn about the amazing marsh animals around us.

Adventure. creativity. and exploration await...

A typical day at camp

- 9:00 Campers arrive and play
- 9:30 Opening circle and song
- 9:45 Outdoor play in forest or field
- 10:30 Nourishing snack
