## COUNSELORS IN TRAINING/ JUNIOR COUNSELOR PROGRAM

Turtle Lane Camp offers leadership opportunities for motivated middle and high school students, who assist adult counselors. The program includes training in aspects of child development, safety and first aid, conflict resolution, storytelling, and games (at a level just right for teens).

CITs attend **free**; Junior Counselors receive a small stipend. Limited positions available each week. Please see our website for more information.

2014 SEASON

JUNE 30–JULY 25

AT THE LAKE CHAMPLAIN  
WALDORF SCHOOL IN SHELBURNE

### ART & NATURE CAMPS

Kindergarten Camp for children ages 3-5

Woodland Adventures for children ages 6-8

### ADVENTURE CAMPS

Splash & Dash, Herbal Remedies & Balms, Adornment,  
and Green Mountain Hiking for children ages 8-12

"This was our son's first camp ever, and I wasn't sure he would do well in an all-day camp. He LOVED it!"

Brenda Baker

"The camp hit all the right notes— learning new and interesting things, good food, crafts, time to reflect and time to play. The only complaint my kids had was that the week ended too soon!"

Sarah Thompson

# WHAT WILL YOUR CHILD'S SUMMER LOOK LIKE?

Adventure. creativity. and exploration await...

## ART & NATURE CAMP AGES 3-8

Our days at Art and Nature Camp are filled with singing, outdoor play, traditional games, handcrafts, animal care, art, and nature stories, with plenty of time for children to explore and play on our 22 acres of fields, forest, and gardens. A healthy, homemade snack and herbal iced tea are provided daily.

Sessions for younger children, ages 3-5, are set at a gentle pace just right for them. Activities include forest play, a seasonal circle time, nature walks, story, and rest. Grade school children ages 6-8 enjoy more complicated nature crafts, woodland lore and active games.

### June 30-July 3: EARTH (4 day camp)

Dig in the dirt, plant in the garden, work with clay, and learn about the magic of seeds, soil and herbs.

### July 7-11: AIR

With wind and air as inspiration, we will play lots of ball and running games, make toys for the air (whirligigs or toy kites), and learn about the birds in our forest and marsh.

### July 14-18: SUN

We will feel the power of the sun, play with light and shadows, make and use a simple solar oven, and learn about the animals in our forest that most enjoy the dawn and darkness.

### July 21-25: WATER

In this watery week we will make bubbles (including giant ones!), experiment with watery crafts, and learn about the amazing marsh animals around us.

## ADVENTURE CAMPS AGES 8-12

For older children we offer special interest camps geared to growing abilities. From hiking adventures to making herbal teas and balms, our older campers learn fun, hands-on skills from experts, with plenty of time to play.

### June 30-July 3: SPLASH & DASH (4 day camp)

#### Do you like to be active, be outside, and try different sports?

In this camp you will bike, run and swim in a fun, safe way. Games and activities encourage working together and supporting each other in doing our best. All abilities and fitness levels welcome!

### July 7-11: LOTIONS & POTIONS

**Did you know we all are wizards?** With a little bit of foraging and know-how, we can make our own lotions, potions and remedies. We will make everyday health and wellness products like toothpaste, lotions, soaps, lipbalms, salves and shampoos, along with first aid remedies for bug bites, and teas for upset stomachs and headaches.

### July 14-18: ALL ABOUT ADORNMENT

**Decorate, adorn, alter, and embellish** your clothing and accessories! We'll express our own style with gold braid, feathers, beads, paints, scissors, and a needle and thread. Think: jewelry inspired by Native American designs, dazzling sunglasses and flip flops, personalized T-shirts, and decorated jeans! The week will culminate with a special henna adornment from your instructor.

### July 21-25: THESE GREEN MOUNTAINS

**Come and explore the familiar peaks** of our region, and have extraordinary adventures. Destinations may include Snake Mountain, Mount Abe, Camel's Hump, and Mount Mansfield; hikes will be tailored to the ages and abilities of those enrolled. We will enjoy stories, songs and picnics as we "Go A Wandering with our Knapsacks on our Backs."
